

# Benefit Dart Tournament

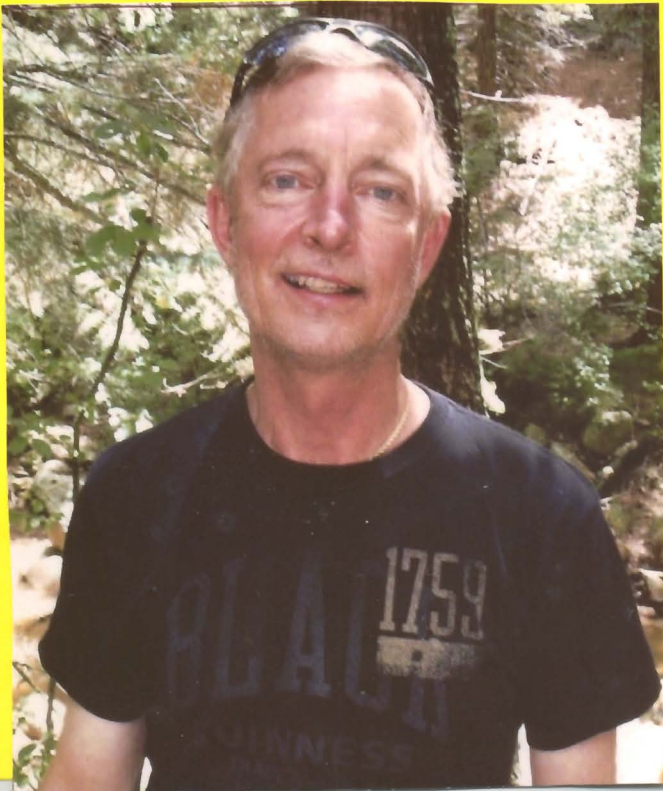

And Nightley Raffels, Held For

## Cliff Delay

Will be Friday Jan.28<sup>th</sup> @ 8:00 pm

At the Tanstaaf Pub on Bowen Rd

Cliff was diagnosed with lung and bone cancer in late October. He is a single parent raising two teenage boys, with little income since his diagnosis, and piles of medical bills coming in, there is little to support him and his children in his fight against cancer. Come support Cliff in his recovery, he has been a pillar in the dart community since 1983.
